### BREAKING NEWS: NATIONAL

#### [Messy Street Patterns Boost Walkability in Cities](#)

Cities that have the most complex and messy street patterns provide the most walkable and enjoyable experiences for visitors and residents, argued Allan Jacobs, the former director of San Francisco's city planning department, at a recent conference in Vancouver BC. Jacobs listed cities that have numerous intersections per square mile as a guide to their walkability. Some of the most walkable cities include San Francisco, which has 300 intersections in the Market Street area, along with Paris (281), Tokyo (988), Savannah, Ga., (538) and Portland (341).

### BREAKING NEWS: STATE

#### **Florida || [Lakeland's Urban Growth Provides More Tax Revenue Than Shopping Malls, Big Box Stores](#)**

A recent study by Sarasota County's director of smart growth found that shopping malls and big box stores bring in far less property tax revenue than a downtown high rise. The high rise, which has retail stores and offices at its base, generates about \$1.1 million per acre annually compared with a big box store, which produces less than \$8,500 per acre.

#### **Iowa || [Iowa City Uses Smart Growth Strategies to Recover from Flood](#)**

With the help of an EPA Smart Growth Assistance Grant, Iowa City is revitalizing a 10-square-block section of the city that was devastated by flooding in 2008. Plans include a riverfront park designed to absorb future flood waters, as well as a mix of housing options, retail, and office space in a dense, walkable urban environment. The city also hopes to eventually connect the area to the major employer in the city, the University of Iowa, through light rail and commuter rail.

#### **New Jersey || [New Jersey Citizens Support Smart Growth](#)**

A recent poll found that a sizable majority of New Jersey residents support smart growth, a statewide planning strategy, expanding transit, and maintaining existing roads. Funded by the William Penn Foundation, the poll found that almost 70 percent of respondents are in support of a coordinated, statewide plan for existing population centers in order to preserve farming communities and open

spaces. In addition, 54 percent support expanding and improving train and bus services. Only 36 percent see building new roads as a high priority.

#### **North Carolina || [Charlottesville Livable Communities Project Seeks Public Input](#)**

With \$1 million in funding from HUD's Regional Planning Grant program, the *Many Plans, One Community Livability Project* kicked off its community input series with the first of six workshops seeking public suggestions for the update of Charlottesville and Albemarle County's comprehensive plans. Attendees at the first meeting were asked to submit comments in environmental categories ranging from sustainable development to trails and greenways.

#### **Ohio || [Cleveland Could Become 100% Self Sufficient in Food Production](#)**

A recent study by Ohio State University concludes that Cleveland residents could meet all their basic nutritional needs from food raised within the city limits while retaining \$29 million to \$115 million in the local economy. Reaching this goal would necessitate urban gardening plots on most vacant lots, growing food on some commercial rooftops, and helping homeowners grow food on their own property.

## **NEW FUNDING OPPORTUNITIES**

#### **[Neighborhood Sustainability Pilot Program](#)**

The Earth Advantage Institute invites the submission of Expressions of Interest (EOI) to participate in a pilot program to certify the economic, ecological and equity accomplishments of existing neighborhoods. The request for EOIs is intended to determine whether there is sufficient market interest in such a program.

**EOI deadline: November 30, 2011**

#### **[Iowa Living Roadways—Community Visioning](#)**

Iowa State University and Trees Forever have released details on the 2012 Iowa's Living Roadways Community Visioning Program. Iowa communities with less than 10,000 residents are eligible to apply for funding and technical assistance. The program integrates landscape planning and design with sustainable community principles and action steps. A final transportation enhancement plan is produced that reflects the values and identity of the community.

**Application deadline: December 1, 2011**

#### **[Smart Growth America Community Technical Assistance](#)**

Smart Growth America is now offering free technical assistance to local communities interested in building stronger local economies while protecting human health and the environment. A recent informational webinar on this free technical assistance provided an overview of the application process and available resources for prospective applicants. The support materials from this webinar are now available online.

## **NEW RESOURCES**

### **Curbside Chat: A Candid Talk About the Future of America's Cities, Towns and Neighborhoods**

This report from Strong Towns highlights the need for a higher rate of financial return from existing infrastructure investments, particularly within traditional neighborhoods where large public investments in infrastructure are currently being underutilized. This new report stresses efficiency and value creation in already-built areas, instead of unchecked expansion in outlying suburban areas.

### **EPA Urban Farm Business Plan Handbook**

This new publication from the US Environmental Protection Agency provides a framework for developing an urban farm on cleaned brownfields or vacant sites to help address neighborhood blight, food access, or community development challenges. The handbook provides guidance on how to assemble marketing, operating, and financial strategies to communicate an urban farm project to potential partners and funders.

### **Growing Closer: Density and Sprawl in the Boise Valley**

This new Boise State University publication details the effects of sprawl in Boise, Idaho, including

impacts on air quality, housing design, health and agriculture. Less than one in ten Boiseans live in neighborhoods dense enough for regular bus service, according to the report.

Fresno, CA-Fresno West Coalition for Economic Development is searching for deserving people committed to helping those in the Central San Joaquin Valley to honor during the 2011 awards luncheon, "Risk Takers, Dream Makers," on November 17th.

Submissions are trickling in for nominees in business and leadership categories, so we have been asked to extend the deadline to **October 21st**. We have received nominations for educators, businessmen, volunteers and community advocates.

Now for the first time, we have included the Agriculture Award and the San Joaquin Award to honor deserving candidates throughout Madera, Merced, Kern, Kings, Tulare, Fresno, Stanislaus, and San Joaquin counties during the awards luncheon.

Valley business owners and philanthropists James and Coke Hallowell say receiving the President's Award was just as rewarding as the benevolent work they do in the Central Valley.

"We were very honored to be *honored* by a magnificent group so important to Fresno. We admire the work put into making it such a success," said Coke Hallowell.

Not only do the Hallowell's own the Hallowell Cheverolet Company, they are dedicated to raising money for non-profit organizations and have been doing benevolent work since their youth.

Other past honorees include Community Leader Mary Curry, Journalist Alysia Sofios, Evangel Home and United Security Bank.

## ID Theft on Vacation

The risk of Identity Theft goes right along with you on vacation.

Here are some helpful tips to keep your ID safe on

vacation:

1. Wear a money belt
2. Never leave your passport in an unsecured spot
3. On metro trains avoid boarding center train cars
4. Log out completely of all websites visited at Internet cafes and business centers
5. Use credit card whenever possible

It's easy to let your guard down when you are on vacation, make sure to keep in mind that the same risks at home are present on vacation as well.

To subscribers of [Bob Behn's Performance Leadership Report](#)

Do you know that, last December, the U.S. Congress passed the "GPRA Modernization Act of 2010." (Yes —on the right is the first page of this legislation.)

Do you know what GPRA stands for? Do you know how many things its modernization requires federal agencies to do? If you answered 55, you probably don't have a life.

Of course, Bob doesn't have a life. After all, he is now beginning the ninth year of *The Behn Report*.

And, after reading this "modernization" of GPRA, Bob has focused this 97<sup>th</sup> issue "*On why all public executives and legislators need to remember that Requirements Still Require Leadership.*"

## One Hundred Eleventh Congress of the United States of America

In the original report, it included a case where we are the plaintiff. That is why Mary re-titled the report as "updated" which wasn't necessary. If you want, I can change it for you.

**Subject:** Governor Brown's Environmental Leadership

Hi Jean,

Now that the legislative session is over, we at CLCV are putting together our annual California Environmental Scorecard, which tracks how our elected officials performed on the environment. As we calculate the final scores one thing is clear: what a difference it makes having an environmental champion as governor.

Governor Jerry Brown has shown great leadership by making strong pro-environment appointments to his administration. He also rejected efforts to weaken key environmental protections during tough negotiations on the state budget.

Recently, Governor Brown signed many important bills into law that protect the environment and public health, including a landmark renewable energy bill, a ban on the toxic chemical bisphenol-A in baby bottles, a ban on the sale and possession of shark fins, and a package of bills to secure access to clean drinking water for all Californians.

**[Please email Governor Brown today to: 1\) thank him for signing important environmental bills and 2\) urge him to continue his leadership next year.](#)**

Next year, the governor will again confront efforts to roll back key environmental and public safety laws in both the legislature and the budget process. He will need to make tough decisions on energy, water and other environmental issues.

Anti-environmental forces will continue to make the false claim that we must weaken the laws that protect our air, water and community health in order to provide jobs. Governor Brown needs to hear from you to hold strong against these false claims.

**[Email Governor Brown today to: 1\) thank him for signing important environmental bills and 2\) urge him to continue his leadership next year.](#)**

Thanks for helping us keep our governor committed to a strong environmental agenda,

Warner Chabot  
CEO, California League of Conservation Voters

P.S. Stay tuned in the coming weeks for our annual California Environmental Scorecard to see how all of your legislators performed on protecting the environment in 2011.

*CLCV sends email to members, non-profit partners, and other California citizens who are interested in helping elect the best environmental lawmakers and maintain California's status as the nation's environmental leader. [About CLCV.](#) [Unsubscribe here.](#)*

**FROM:** ALICIA PEREZ, SAFE PASSAGES  
**SUBJECT:** JPA BOARD RECOMMENDATIONS AND FOLLOW UP REQUEST  
**DATE:** 10/19/2011  
**CC:** TRUSTEES MAYOR QUAN, ANDREA YOUNGDHAL, TONY SMITH, ALEX BRISCOE, DAVE KEARS

---

This memo is to provide further information regarding the JPA Board direction to contact City of Oakland, County of Alameda and OUSD select staff to provide input and data in the development of the Board's high school graduation improvement efforts. The board has directed JPA staff to develop recommendations regarding best practice strategies to improve high school graduation rates in Oakland. Among these strategies, the board has specifically directed staff **to develop criteria for selecting a priority subgroup from students currently in 9<sup>th</sup> grade who graduated from an Elev8 middle school program.**

Board Trustees requested JPA staff to work with you to gather data and develop criteria for selecting an Elev8 subgroup to focus comprehensive resources to ensure successful high school completion.

The JPA board meets again in November 28. A report must be prepared at least two weeks in advance of the meeting in order to comply with all public records posting requirements. In an effort to expedite the report and conduct all due diligence research, JPA staff would like to conduct individual interviews with each of you. Attempts to meet as a group have proven difficult given everyone's busy schedule.

Please take a minute to review the following questions. Also, please find attached a report on "Increasing High School Graduation Rates." Isabelle Mussard, Legislative Analyst at Youth Ventures/Safe Passages will be contacting you to set up a meeting at your convenience. Thank you.

#### Questions:

1. What data does your agency currently track that would help inform which cohort of students the JPA should focus on?
  - a. For example, does OUSD track performance data across the high schools by race/ethnicity, FRL, and ELL?
  - b. Or, as another example, does SSA track the graduation rates of foster youth?

2. What strategies employed by your agency have been shown to constitute best practices in addressing barriers to high school graduation rates?
3. What partnerships or leveraging would enable the JPA partners to maximize proven best practices so as to ensure the graduation of all of the identified cohort of high-risk students?

---

If you have not already done so, please contact me to let me know what times work for you in the next two weeks (anytime between tomorrow and the 25<sup>th</sup> or the 31<sup>st</sup> through the 4<sup>th</sup> of November; half-hour slots).

Thank you,

Good afternoon folks,

OAC staff are ramping up the preparations for the 2011 Mayor's Community Toy Drive, which is fast approaching.

Attached you will find the following documents:

- Toy Drive timeline. Some events have tentative dates.
- Draft donation request letter. This is a sample letter which is sent to local businesses from a list provided by the chamber and past donors. It needs updating to include the mayor's touch and signature. Online donation link will be active on November 1<sup>st</sup>.
- Sponsorship forms
- Toy Drive overview
- Sign up flyer (needs updating)
- Sign up press release (needs updating)

We have toys and a small amount of money leftover from last year's event which will give us a much needed head start but we will need your active participation to ensure that we meet the needs of our low income families again this year.

Thank you and I look forward to talking with you. Feel free to contact me or OAC staff directly with any questions.

Oh, and Specialty's Café & Bakery will be on-site passing out their famously, delicious cookies! ;)

See you tomorrow,

FOR IMMEDIATE RELEASE

### **Championship Youth Football Team Faces Double Jeopardy**

*Oak Grove Pee Wee Razorbacks Football Team in  
Danger of Not Participating in National Championship Due to a Lack of Funding*

San Jose, CA - Oak Grove South Division One Pee Wee youth football team, the Razorbacks, are currently undefeated and have been declared the league champions. The team has earned the rights to compete in the National American Youth Football Championship games held this December in Orlando Florida. The son of Yolanda Lewis, Chief Deputy of the Black Economic Council, (BEC) is a member of this championship team and the BEC is seeking financial support for the team.

The American Youth Football National Championships are one of the largest football events in the world, with over 156 teams competing over the course of 6 days for champions.

The tragedy for these 11-year-old boys, many from underserved communities, who worked hard and earned the right to play in the championships but as a result of a lack of funding, were not able to take part in the games last year. The team must raise enough money to send the boys this year and avoid "double jeopardy" as a result of a lack of funding.

Head coach KC Minor stated, "We have scholar athletes on the team who work hard all season to get to where we are today. It is heartbreaking to imagine not being able to take these kids to Florida again this year due to a lack of funding".

This month conference play offs take place and the team is poised to go undefeated. "Many of the youth on the team have high aspirations and are committed to hard work in exchange for reward and we cannot let them down", stated one parent.

National Championships take place December 4 - 8, 2011 in Orlando Florida and the team is working to generate \$30,000 by the end of this month to pay for the airfare, lodging and other basic expenses for the boys.

Donations can be sent to Oak Grove Youth Football care of Razorbacks a 501(c)3 non-profit P.O. Box 23442 San Jose, CA 95153. **Contact: Jimmy Albert Phone 408-971-2421.** A website for the team has been set up and can be viewed at [www.becmovement.org](http://www.becmovement.org)

Learn to bend and shape steel in The Crucible's smithy as you practice traditional blacksmithing techniques using the forge and anvil. You will complete a project such as a hook, fork, or spoon.

#### Youth Glass Blowing (ages 12-17)

In this introductory glass blowing class students will practice and learn the basic skills and

techniques that will allow them to create their very own hand blown glass work.

Through supportive instruction and a team environment, students will gather from the furnace and learn to use the tools to manipulate and shape the glass into paperweights, cups, bowls, sculptures and more.

#### Youth MIG Welding (ages 12-17)

Metal inert gas (MIG) welding, also known as wire-feed welding, falls between arc welding and TIG in the welding spectrum. Quieter and cleaner (and some say easier) than arc welding, MIG welding is typically used in production fabrication such as furniture making, light construction, and auto restoration. You'll learn the basics of MIG welding, as well as plasma cutting and other fabrication processes. Knowledge of arc welding is handy but not essential.

***The Vulnerable Expert Witness***

Stop using 19th-century courtroom techniques in the 21st century! For years, Judge Mark Bernstein and Larry Bendesky, Esq. have taught trial lawyers, expert witnesses, and CPAs valuable techniques for winning in the courtroom. Now, using actual cross examination video and interviews with great courtroom advocates across Pennsylvania they present *The Vulnerable Expert Witness: Keeping it Real in Cross-examination!*

If you are a CPA acting as an expert witness, learn what to do before walking into the courtroom! Learn how modern technology has created Perry Mason moments in the courtroom which can destroy expert testimony. Learn how the great trial lawyers captivate the jury!

Judge Bernstein has continuously served as a Judge of the First Judicial District of Pennsylvania since April 1987. His fellow Judges elected him Secretary of the Court of Common Pleas Board of Judges. He presently serves on the Civil Jury Instruction Subcommittee of the Pennsylvania Supreme Court, which annually publishes Standard Jury Instructions for use by judges and lawyers in civil trials. Judge Bernstein serves on the Commerce Court of the First Judicial District. He is the author of "Pennsylvania Rules of Evidence with Comments and Annotations by Honorable Mark I. **To:** Quan, Jean  
**Subject:** Office of State Senator Loni Hancock - National Prescription Take Back Day, October 29, 2011  
**Attachments:** Green\_Pharmacy\_Flyer\_Alameda\_County.pdf

Dear Mayor Quan:

In 2009, Senator Loni Hancock along with East Bay Municipal Water District (EBMUD), the Attorney General's office, the California Highway Patrol, San Francisco Bay Regional Water Quality Control Board (SFBRWQCB), San Francisco Estuary Partnership, other organizations and elected officials worked together to install permanently a depository or postal-like bin for the **collection of pharmaceuticals**.

Inaugurated in the State Building in downtown Oakland, this new pharmaceutical drop-off location would exemplify the on-going effort to address mounting concern over the trace of pharmaceuticals in the Bay Area waterways and the call to attention regarding pharmaceutical drug-abuse among youth.

Senator Loni Hancock, Chair of the Public Safety Committee in the California State Senate, has been committed to protecting the environment and promoting healthy communities. This year, she continues this mission by bringing together a coalition of law enforcement, governmental agencies and others, to encourage cities and organizations to work together and promote the safe disposal of pharmaceuticals.

On **Saturday, October 29, 2011, from 10 am-2 pm**, the Drug Enforcement Agency (DEA) will launch its third National Take Back Initiative. The goal of the program is to allow people to deliver all of their unused, unwanted, or expired medications to secure locations for the safe disposal of these controlled substances.

Working together, Senator Hancock hopes that this collaboration with the DEA will bring public awareness to this very important concern and provide educational information and location of disposal bins throughout Alameda and Contra Costa Counties. Senator Hancock is encouraging Mayors, City Managers, City Administrators, City Representatives in her district to participate.

The **Oakland Police Department** has committed to joining in this effort by organizing a Take Back event on October 29th and creating public awareness about the proper disposal of unused and unwanted pharmaceuticals. The Department is partnering with the DEA and has chosen two sites where the public can bring unused, unwanted or expired prescription drugs AND controlled substances or narcotics for safe disposal on October 29th.

The two sites are:

- City of Oakland Police Department, Eastmont Station, 2651 73<sup>rd</sup> Avenue, Oakland
- City of Oakland Police Department Station, 455 7<sup>th</sup> Street, Oakland

Senator Hancock is also encouraging all cities in her district to participate with their host locations such as police departments to organize around this event and make it a community drug awareness day. You can attain online marketing toolkit provided by the DEA to create flyers and information sheets. The website address is

<http://www.justice.gov/dea/take-back/takeback-day.html>. Also, there are pamphlet templates that can be downloaded and copied. The DEA website for more information is [www.dea.gov](http://www.dea.gov).

The DEA local office has available for you posters and marketing material to hand out. The contact name and number is Mr. Glenn Moore, Supervisory Special Agent, DEA at 415-436-7900.

Cities can provide information about **PERMANENT** disposal locations for unwanted and expired pharmaceuticals in your county. Attached to this email is a list of permanent drop-off sites that you can email to organizations and stakeholders in your community. Just a reminder that on Saturday, October 29<sup>th</sup> will be a day in which controlled AND uncontrolled substances will be collected. On a daily basis, permanent disposal sites for pharmaceuticals in the county can only accept unused and unwanted pharmaceuticals and not controlled substances or narcotics.

Prior to the October 29th event, attention will be given to organizations and individuals who have been personally affected by the ease of access of prescription medication and who are addressing this issue. Two of these organizations include Mothers with a Purpose and the National Coalition of Prescription Drug Abuse, which was created following the tragic death of founder April Rovero's son from

Senator Hancock wants to thank the Oakland Police Department for taking the lead in addressing this very important cause. From the beginning, the Police Department has been more than willing to organize and participate in this special event on October 29<sup>th</sup>. Senator Hancock wants to thank Ms. Holly Joshi, Ms. Johnna Watson, and Ms. Lea Rubio from the Police Department for working together with our office and other organizations to make this happen. The contact name and number is Ms. Lea Rubio, Oakland Police Department at 510-238-3154.

Please feel free to contact me in the senator's office if you have any questions. She looks forward to your participation.

Thank you,

**Pedro Rosado**

### Love & Loss: Días de los Muertos 2011

Museum Director Lori Fogarty has said, "OMCA was founded as a 'museum of the people' and *Días de los Muertos* is a celebration and observation in which we share our values of community participation and engagement. More importantly, it is a vibrant reminder that our times of coming together define who we are as individuals and community." Her words prove to be especially telling for this year's exhibition *Love & Loss: Días de los Muertos 2011* in which guest curator Patricia Rodríguez focuses on the intimate and often personal stories told in altars created by artists and school and community groups. ## A Tribute to the 1991 Oakland-Berkeley Fire

The story of the 1991 Oakland-Berkeley Fire is a story of loss and rebirth. The exhibition [1991: Oakland-Berkeley Fire Aftermath, Photographs by Richard Misrach](#) shares, for the first time, the photographs Misrach took 20 years ago. A memorial to the anniversary of the tragic event, the photographs chronicle the tragedy, loss, and rebirth our community realized from the devastation of the fire.

I could support it if they made sure to account for every dime of money going into and out of the City and posting it online (in easy to read graph formats..like Mint.com does) for all to see. Without accountability this city will continue struggle. We have to find a way to force responsibility on this obviously irresponsible leadership. That and I want some term limits (max 3, 4 year terms). Give me those things and we can talk about raising taxes...again.

Hi All,

Rummaging through the newspaper basket I came across the LaneyTower newspaper ([Laneytower@peralta.edu](mailto:Laneytower@peralta.edu)), the newspaper for Laney College. In the newspaper was an article that I found compelling (it's where many are in Oakland and where the churches need to be): "Community churches rally to help East Oakland." Below is the article:

Thanks.

Hi All,

For those who think that Mayor Jean Quan should have been more encouraging of Chief Batts please read the article below from the East Bay Express:

<http://www.eastbayexpress.com/ebx/oakland-is-better-off-without-batts/Content?oid=3019194>

Also please note the salubrious message from the Consent Decree monitors for the actions of Mayor Quan and the City Administrator. In my opinion the appointment of the very competent City administrator, Deanna Santana (who is still arranging her team) speaks well of Mayor Quan.

Thanks.

**Subject:** STILL PENDING FOLLOW UP FROM INTERIM CHIEF HOWARD JORDAN FROM OPD & NEED A 3RD PARTY CONTACT ASAP FOR SGT. GEORGE PHILLIPS.. YOU'RE ADDING TO MY EMOTIONAL DISTRESS... WHAT IS THE HOLD UP WITH THE SIMPLEST FIXES IN OPD???

It's now the 19th and I STILL HAVE YET TO EVEN HAVE THE SIMPLE ISSUES RESOLVED...

HOWARD JORDAN,

Why is it taking soo long to follow up and follow through with even the simplest issue you were to resolve back on 9/27???  
As you already are aware, I have several valid complaints of negligence, dishonesty, reckless behaviors against Sgt. George Phillips and although he has made "significant progress" on the case (which I just found on on 9/27), he has cause me and my family an indescribable amount of irreparable emotional damage.. Not only did he compromise my safety and My/ Daddy's business by violating a court order (because he didn't do his research) by bringing the person who is responsible for Daddy's Murder & who's also made death threats and had her affiliates come after me in a car chase to my place of business without notifying me, not following proper procedure.... But because of Sgt. Phillips reckless & negligent behaviors in not following proper procedure and blatantly lied, I now have to see and hear about others seeing The Truck (THAT I HELD THE PHYSICAL PINK SLIP FOR, IN ADDITION AM THE EXECUTOR OF THE TRUST/ RESPONSIBLE FOR) anywhere from Richmond to Oakland, damn near every day and we lost that strong memory of our father, BECAUSE OF GEORGE PHILLIPS..

Because of Sgt. George Phillips and his lack of returning simple phone calls when I called him in distress the night of the car chase, and even more recently when I received death threats and pleaded to him and your office for help and to trace calls, he treated me with low priority and with the email response he sent, Even SAN LEANDRO PD CONFIRMED HE WAS GIVING ME THE "OUTRIGHT BRUSH OFF TREATMENT" and because of all of the stress when he couldn't even do the simplest things, I lost my child in miscarriage a short time after (BECAUSE OF ALL OF THIS.. NOT DADDY'S DEATH.. BUT GEORGE)....

Even my mother called me and asked me to relay and she also wrote a letter requesting that there be another form of contact because of the critical amount of emotional distress it causes my brother to even talk to him or hear his voice, because he's just as effected and that truck was supposed to go to HIM (for ME to administer to him once it was cleared)..... I CAN'T EVEN STAND HEARING HIS VOICE, LITERALLY.... I am so full of rage/ upset with Sgt. George Phillips it's not even funny, for how he mishandled things, lied & was reckless and I don't ever want to talk to him again. But as issues come up, I have no choice but to call him and leave messages and/or email BECAUSE **YOU DID NOT RESOLVE THE SIMPLEST REQUEST THAT YOU AGREED TO..... DO YOU REALIZE THE EFFECT YOU ARE CAUSING?????????? I MEAN REALLY?????** IT'S BECAUSE OF YOU AND PHILLIPS AND ALL OF THIS UNNECESSARY CRAP THAT I NOW HAVE TO MAKE AN APPOINTMENT TO SEE A THERAPIST BECAUSE OF THE EXTREME AMOUNT OF STRESS CAUSED THAT COULD HAVE ALL BEEN AVOIDABLE IF YOU HAD JUST DONE YOUR JOBS, FOLLOWED PROPER PROCEDURE, TELL THE TRUTH AND DO THE RIGHT THING... IT'S BECAUSE OF YOU, PHILLIPS AND YOUR DEPARTMENT THAT I HAVE TO SEE A THERAPIST TO GET MY STRESS UNDER CONTROL BECAUSE I LOST ALL OF DAMN NEAR EVERYTHING OF MY DAD FROM THAT PROPERTY BECAUSE OF YOU AND YOUR DEPARTMENT AND NOT JUST TAKING TIME TO DO THE RIGHT THING AND PROTECT AND SERVE!!!!!!!!!!!!

BUT FOR ALL I STATED IN THE MEETING AND IT WAS APPARENT THAT YOU UNDERSTOOD BECAUSE YOU AGREED TO RESOLVE THE MATTER, YOU HAVEN'T DONE A THING...

I DON'T KNOW IF YOU'RE TRYING TO PURPOSELY DRAG YOUR FEET TO MAKE THINGS HARD ON ME, BUT LET ME TELL YOU, MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT OF OTHERS, IF THAT IS YOUR INTENT...

Since My Father's Murder, as My Brother is physically and mentally disabled, EVERYTHING HAS FALLEN ON MY SHOULDERS N WITH THE PERSON RESPONSIBLE FOR HIS MURDER BECAUSE SHE WANTED HIM TO PURPOSELY DECOMPOSE AS EVEN THE FUNERAL HOME CONFIRMED 1ST HAND.... IT'S ONLY ME WHO IS KEEPING THE BUSINESS RUNNING AND PAYING FOR ALL THESE LEGAL PROJECTS NOT JUST FOR YOUR DEPARTMENT BUT OTHER AS I HAVE NO CHOICE IN BEING PLACED AS ADMINISTRATOR OF THE TRUST.. EVEN NOW, AS DADDY WAS ALWAYS THE ONE TO PRIMARILY KEEP MY BROTHER IN CHECK, MAINTAIN ALL OF HIS AFFAIRS SINCE MY BROTHER IS MENTALLY INCOMPETENT, I FOUND OUT THIS WEEK THAT I HAVE NO CHOICE BUT TO TAKE CONSERVATORSHIP OVER MY BROTHER BECAUSE HIS LIFE HAS FALLEN APART AND NO ONE ELSE IS CAPABLE OF TAKING CARE OF HIM...

SO ALL I'M ASKING FOR IS A LITTLE HELP AND IF YOU'RE TRULY SORRY FOR MY LOSS, YOU'D DO YOUR FRIGGIN JOB & TUCK YOUR EGO IN YOUR BACK POCKET..

As My Father left both My Brother & I life insurance, Sgt. Phillips already cleared us back in May... Since then, unbeknownst to me, there is an additional policy in which the Insurance Agency located both me and my brother.. As they sent a form for Phillips to fill out, he returned the form, showing the case is still open (which is to be expected), but showed no indication that I, nor my brother are cleared. He already knows me and my brother have nothing to do with what ever happened to Daddy...

**Howard, since you STILL HAVE NOT RESOLVED THAT SIMPLE REQUEST**, as my brother contacted me last week, I left a message for George to please contact the insurance people and correct. If there is something that I'm not aware of, please let me know... Didn't hear a word from (which I didn't want to hear anyways)...

I sent a follow up email yesterday and no word.. I was contacted by the Life Insurance Agency this morning, as well as my brother and left another message for Phillips and I **REALLY CAN'T TAKE EVEN HEARING ON VOICEMAIL (I will never forgive him for some of the shyt he pulled).. But there is no response.. The request doesn't take but less than 3 minutes to complete and not that hard..**

Now my guess for you, Howard, is because I struck a chord with your ego at the meeting, your purposely dragging your feet (which you intently made clear with an uncooperative response towards the end of the meeting) to try to make me suffer..... For George, since I started the Hell Storm and Complaint Process with Him since June (after I found out about the Truck) and bringing wrath, he's probably doing the same.... It may have been a simple fix, but judging how you and him carried yourselves, so far, I say his behavior is intent....

The sooner situations get resolved, the sooner I'll get off of your cases... **PLEASE FIND AN ALTERNATE CONTACT BECAUSE I REALLY CANNOT STAND HEARING SGT. PHILLIPS VOICE, NOR CAN MY BROTHER & I DON'T WANT TO HAVE ANYTHING TO DO WITH HIM, DIRECTLY.....**

**ALSO, CAN YOU PLEASE HAVE HIM RESPOND TO THE EMAIL I SENT YESTERDAY IN RESOLVING WITH THAT QUICK FIX FOR THE LIFE INSURANCE, (WHICH HE ALREADY DID FOR THE PREVIOUS COMPANY) OR SOMEONE FROM YOUR OFFICE (BESIDES HIM) LET ME KNOW STATUS???**

**THANKS IN ADVANCE AND ALL I ASK IS THAT YOU TURN TABLES AND LIVE LIFE THROUGH MY EYES AND THEN YOU'LL UNDERSTAND WHY I'M SO UPSET, DISGUSTED & MAD AS A HORNET WITH HOW EVERYTHING IS BEING TREATED, HOWARD..**

**Subject:** OAKLAND POLICE DEPARTMENT'S INTERIM CHIEF, HOWARD JORDAN IS AN EGOTISTICAL "SLUG" FOR THE MISHANDLING WITH THE ISSUES/CONCERNS SURROUNDING THE HOMICIDE OF YANCY V JOHNSON

Interim Chief Howard Jordan,

Happy Tuesday... This is a follow up from The email I sent to you, dated 9/30/2011, after our meeting on 9/27/2011. It is now 10/17/2011 and I still have yet to hear a response directly from you... Although you are Interim Chief (until OPD finds a permanent placement), I understand you have assistants.. However, as I met **DIRECTLY WITH YOU** in addressing issues on 9/27/2011 and you made **several** inaccurate statements, was to resolve the request to find an alternate method contact/ correspondence due to the irreparable & extreme emotional distress caused with any type of communication by Sgt. George Phillips, correcting the blatant lie you told in trying to cover for him, in addition to you following up with the outstanding issue of the property access rights/ coordination, I expect to hear **DIRECTLY** from you and have **not heard ONE RESPONSE, FOLLOW UP, CORRECTION OR OTHER... With as much time that's gone by and you knew you messed in the meeting by not being prepared and lied and tried to brush things off, it just seems that you really don't care about your job, nor your department, or you're just too comfortable in your position thinking you can get away with anything... That's a sad frame of mind either way, so I'm going to ask once again as I initially did on 9/27 & 9/30, to correct your inaccurate statements, lie you told and follow through with what you said you were going to do..**

**Again, as I stopped your sentence in the beginning of the meeting because I already knew it was superficial and I stated that if you truly are sorry for my loss, you'd just do your job, making things easier for me.... So again, I ask Interim Chief, HOW TRULY SORRY ARE YOU FOR MY LOSS BECAUSE YOUR ACTIONS CONSISTENTLY HAVE SPOKEN DIFFERENT THAN YOUR MOUTHPIECE...**

Although I had to correct you on several inaccurate statements you made since it was clear as day that you did NOT read through any of the documents, DID NOT contact the City Attorney and did NOT do your homework/ research, it was very apparent that you entered uncharted territory and wasn't ready for it...

Among the list of things, discussed, ONE THING YOU DID AGREE TO DO AS AN EASY FIX was to find an alternate contact, rather than continue to correspond with Sgt. Phillips... Because of the amount of unnecessary stress Sgt. Phillips has caused our family, including me losing a baby with the stress caused with the multiple acts of malicious negligence and reckless behaviors, violating court orders that compromised my safety and other, it really has taken a mental toll on me and my brother... As I disclosed before that my brother has even called my mother and me crying, breaking down after every time he talks to Phillips... You "acted" like you understood and appeared to be fully cooperative in agreement.. As you have other officers contacting me to schedule meetings (even for other officers), all you had to do is designate a 3rd party to contact as a bridge way for Me/My Brother & Phillips... However, never received a follow up from this simple fix...

Since the meeting on 9/27, Sgt. George Phillips directly contacted My Brother, asking him for MY ADDRESS IN WHICH HE ALREADY HAS... He knows how to contact me.. He called my brother because he was going to send some resource information for a Grievance Counselor... **A GRIEVANCE COUNSELOR 7 MONTHS AFTER MY DAD HAS BEEN DEAD AND FOR ALL THAT WE'VE GONE THROUGH AND HE'S JUST NOW DISCLOSING THIS INFORMATION???**

**WHAT IS WRONG WITH YOU PEOPLE???** I don't know if he's purposely trying to contact my brother to purposely agitate him, but it is very apparent that you did not even address the issue with Phillips because he still called my brother, days after the meeting on 9/27..... After my brother called both me and my mother, crying and already borderline nervous break down, SINCE YOU COULDN'T EVEN COMPLETE THE SIMPLEST OF TASKS, I HAD TO DIRECTLY CONTACT PHILLIPS AND LEAVE A MESSAGE LETTING HIM KNOW TO PLEASE STOP CONTACTING MYSELF AND MY BROTHER AND YOU WERE SUPPOSED TO HAVE DESIGNATED AN ALTERNATE CONTACT... IT'S NOW 10/18 AND STILL NO WORD, JORDAN... **So again I ask, How TRULY SORRY ARE YOU FOR OUR LOSS?**

As I've spoken to a few associates, clients and other who work in your department, I agree with them 1,000% in saying that you are "full of yourself", "egotistical" and "a slug"... As I stated in the initial email below on 9/30, everything was all smiles and charm until I started correcting you and calling you out on your inaccurate statements as I saw you weren't prepared.. From there, I don't care how you try to mask it, but you became more defensive, impatient, turned uncooperative as it seemed I struck a chord with your ego..... From wanting to help with simple fixes quickly changed as you saw the situation can no longer be brushed off and was all avoidable...

Where you stated that you would contact the City Attorney, and I asked you for a time line and you refused to give one, why is that Sgt. Bolten took a few moments to check in on the matter and doing what you should have done? It was very apparent in the meeting that as I called you out on your lie and inaccurate/ inconsistent statements, that you were trying to find a way to make me suffer.. You ought to be ashamed of yourself, Interim Chief Jordan.. With the behaviors you displayed, even in that short meeting and following after, tells me that you will never be a Permanent Chief and Always a Temporary because you have the wrong frame of mind in leadership and what your badge stands for....

As for a "Slug", That also fits you extremely well as it's all consistent with the behaviors from the meeting and looking at almost 3 weeks later and you still didn't do due diligence on the things you did agree to carry out.. **I'm not even going to define this term as you already defined it for me on Page 15 of Your Deposition from 1/21/11 with your case against Derwin Longmire, but your actions clearly define who you are and this label suits you in how you've handled this entire project....**

I am not purposely trying to go out of my way to attack you or your character.. But when you show any type of inconsiderate, unjust behavior and mistreatment towards me (especially when it's not justified in truth), I have even less consideration for you... Just do what was asked of you and follow through with what you were supposed to do (even from jump)... If folks just did the right thing and do what they were/ are supposed to, you wouldn't have to deal with this...

As I run businesses and even a rule of thumb in dealing with life??? If you don't want people to complain, especially about the same thing, then don't give them a reason to... Either resolve it and keep it moving or try to get it right the first time....

Interim Chief Jordan, in pushing forward, because of your intent negligent and reckless behaviors, I will be pushing forward to file a complaint against you, adding in with the bunch of bad apples... Thanks for making my claim against the city easier as all you had to do was do what was asked of you (even before the meeting) and carry out simple tasks, and you couldn't even do that and let your ego get in the way...

Please see below for original email sent as I still have not heard a response and you are clearly a liability for the city...

**"Pour tous ceux qui répondre à mes appels à l'aide, et de faire diligence raisonnable grâce à la justice, la vérité, de véritables actes de le coeur, et ne pas traiter comme priorité faible, peuvent vous être béni un million de fois plus avec la gentillesse vous montrer d'autres personnes ...**

**Pour tous ceux qui je appel à de l'aide, et de me donner le pinceau de traitement, profiter de, maltraitent & agir avec un coeur mauvais destiné, par négligence, téméairement et bêtément, que Dieu ait pitié de votre âme comme je malédiction vous avec échec dans tous les domaines de la vie, 7x7, en plus de 2 fois comme comment vous traiter les autres de vous être renvoyé.."**

**Subject:** OPD'S ASSISTANT CHIEF HOWARD JORDAN TREATS MEETING SURROUNDING YANCY V JOHNSON'S HOMICIDE WITH BRUSH OFF, LIES & CARELESSNESS

Hi Assistant Chief Jordan & Sergeant Benton,

This letter is a follow up from Our Meeting held on Tuesday (9/27/11) regarding with the investigation and several surrounding issues/ incidents since My Father's homicide on 3/16/11 under Report Number 11-013194.

I will make this as brief as possible and straight to the point. First and Foremost, Sergeant Benton, I want to say that I truly appreciate you being present and for your insight and the way you carried yourself, overall.... With the issues surrounding the trust (gaining access to property,etc)... You stepped up and expressed that with situations like these, it's not a common thing (explanation why the situation has been mistreated), but you came across in being open to listening and looking for a solution (not writing it off since it's uncharted territory).... As you spoke, you took responsibility/ accountability, not just for yourself in understanding and experience as you worked Patrol (putting yourself in a position to see why things were handled the way they were), but Officers in your department Overall... If you weren't familiar with something, you were upfront in saying so, but presented an openness in being willing to learn and explore to resolve.... You took responsibility/accountability with an open mind to resolve and that is a Strong Trait of a Leader...

Even with addressing the issue as to why Chief Batts HAS NEVER responded at any point, you explained that, taking responsibility and I appreciate that... Even for after the meeting was done, you took the initiative to walk us to the Elevator and Explain some things but you made an attempt to bring closure with a "POSITIVE" resolve. Sgt. Benton, for your participation in the meeting and after, YOU ARE APPRECIATED AND SHOW GREAT TRAITS OF LEADERSHIP.... THANK YOU...

Assistant Chief Howard Jordan, let me first say that it was a pleasure (at first) meeting you.... As a compliment, I will say that you just as much extremely attractive on the news as you are in person.. You have a very strong and confident presence with an initial pleasant charm... What I am about say, as I speak in truth is I am extremely disappointed and offended by the meeting in how you conducted yourself, trying to figure out how did you get so hi in ranking... How can someone attractive, sharp, bright & charming on the exterior be so careless, dishonest, egotistical, insecure & "Unsmart" on the interior.... *Since light travels faster than sound, isn't that why some people appear bright until you hear them speak?* Just saying and not even trying to be mean but you definitely are That Example... As you treated this meeting and my file overall (complaints, concerns) with such inconsideration and carelessness, I have even less regard/ consideration for you at this point... As I have a lot of friends, associates, clients and other in your department, SOMEBODY SHOULD HAVE WARNED YOU ABOUT ME... I'M NOT OF THAT GENERAL POPULATION & VERY MUCH A RARE SPECIES AS YOU'RE ABOUT TO FIND OUT.... If you knew better, you would have done better.... Since you didn't, maybe this will give you incentive to correct the mistakes you made in the meeting..

Assistant Chief Jordan, from the beginning of the meeting, I picked up on your type in knowing you were gonna be full of shit and shady the moment you said "I'm sorry for your loss..... " (I picked it up in your voice)... That's why I stopped you because I already knew your condolences were superficial... As I stated if you truly are sorry, then do your job and make things easier for me.... The FIRST QUESTION I asked you is if you did your research (homework).. You replied , "Somewhat"... That tells me right there how much care and attention you put into My File of Situations/ Concerns/ Requests surrounding My Safety and My Father's Homicide and shows me how truly sorry you are for My Loss (which is none whatsoever)..

As there were several issues to discuss, I will say Thank You for resolving the "simple issues"... Although I wanted to have the case re assigned from Sgt. George Phillips because of his several acts of Negligence, Poor Customer Service & Dishonesty, I do understand and can respect the reason why you will not do so... Since NO ONE EVER CALLS ME OR CONTACTS ME OR RESPONDS with Status, I did not know of significant progress (and confirmation of information)... With what you disclosed, I can respect and agree that a Private Investigator is not needed for this case... I have no arguments with that... Thank You for honoring my request of finding an alternate method of communication since Phillips has caused so much emotional distress (with his foul ups) to me and my family.. I look forward to the update very soon....

Now on the main tip, You made SEVERAL MISTAKES & YOU LIED, ASSISTANT CHIEF JORDAN AND YOU OUGHT TO BE ASHAMED OF YOURSELF... You've had full knowledge of all of my complaints, emails, all documentation as there was a meeting ORIGINALLY SCHEDULED on 8/4/2011... You had from Late July until then to "do your homework" (research).. The meeting was cancelled and you went home before the meeting slot was even over and it was RESCHEDULED FOR 8/17/2011... You had from 8/4/11 until 8/17/11 to "do your homework" (research).... As Chief's Assistant, Yolanda Morris (who is also a liar) cancelled the meeting the day of 8/17/11, since you had an urgent meeting elsewhere, I didn't hear a word and things got escalated to where I FINALLY met with you this past Tuesday (9/27/11)... In all of this time, You had from Late July until Tuesday (9/27, exactly 2 months after initial meeting was scheduled) to "do your homework" (research)... You had all this time to research the emails and all attachments (That Chief Batts,

Sgt Phillips & You had all this time), take a few moments to call the City Attorney to run scenarios by her, asking questions and getting confirmation and clarification of what can be done, proper policy procedure and other... But YOU DIDN'T DO A DAMN THING & LOOK EVEN WORSE THAN CAPTAIN STEVE TULL... How do I know? You told on yourself as it showed throughout the entire meeting....

Per our discussion on Tuesday, you made several inaccurate statements and I want you to confirm or correct what you said..

For the issue of gaining access on the property to retrieve the rest of My Father's Belongings that are ALL LISTED IN THE TRUST, I provided and re attaching the following:

- The Revocable Trust My Father (deceased) created from 2007, which includes the Grant Deed that Shows His SOLE Ownership of the Property, Information in the Trust confirming the Property was to go to ONLY Me and My Brother, Yancy P. Johnson

- Documentation confirming my role as Administrator/ Executor of The Trust

- Documentation confirming my role as Administrator/ Executor of The Property with Rights

**YOU'VE HAD ALL OF THIS INFORMATION SINCE LATE JULY AND POSSIBLY BEFORE, AC JORDAN AS IT WAS ATTACHED IN THE EMAILS....**

I have made several attempts to access the property with Civil Standby's and as the person who is Responsible for My Father's Murder (My Estranged Stepmother) has squatted on the property and lied alleging it was her house and property (after I provided the same documentation to the responding officers), your officers refused me access to my own property and brushed it off as a "civil issue", stating that a court order is required (which is inaccurate as your city attorney and my attorney confirmed)...

**There is no reason, as I provided all necessary documentation to the responding officers and your department that I should not have been able to get onto that property, retrieve personal properties and carry out my duties of the Trust as the Trustee/ Administrator/ Executor as even MY ATTORNEY WAS PRESENT ON ONE OF THE ATTEMPTS AND ALSO IN DISBELIEF BECAUSE OF IMPROPER HANDLING OF THE SITUATION..**

As you also confirmed that what I am requesting is a "civil matter", you **DID NOT DO YOUR HOMEWORK AND CHECK WITH YOUR CITY ATTORNEY BEFORE MAKING THAT STATEMENT...** As you asked me the same questions in several different forms of do I have documentation to confirm that I have access and other, I DO AND I PROVIDED THAT INFORMATION WAS PROVIDED TO YOU 2 MONTHS AGO & EVEN THE MORNING OF THE MEETING.. **YOU WOULD HAVE KNOWN THAT AND READ THAT IF YOU DID YOUR RESEARCH!!!! BUT YOU DIDN'T, WHICH SHOWS ME HOW TRULY SORRY YOU ARE FOR MY LOSS BECAUSE YOU DIDN'T EVEN READ ANY OF THE DOCUMENTATION AND TAKE CARE OF THE TASK THAT WAS ASSIGNED TO YOU.... DO YOUR JOB!!!!!!**

As you've had this file/ emails/ documentation since Late July, it wasn't until the meeting on Tuesday (9/27) that you said you will contact Rocio Fierro ... I asked if you can also contact and coordinate with My Attorney and you refused, already appearing to be flustered because I had to correct you... I don't care how much you were trying to keep your cool, I could with your body language, eye movements and slight change in color, you were flustered... I asked you how soon can I hear from you on this because as I've been trying to make attempts since March with Civil Standbys and All and since then, The house has been foreclosed on, The Person responsible for My Father's Murder has Stolen everything out the house (family heirlooms, furniture, pictures,etc) and the only thing I need to get is The Vehicle that's in the carport since I am now being sued for it as The Administrator of The Trust and My Estranged Stepmother's Car is blocking it.... You tried to brush the question off so I asked more directly, "Can you please give me a time when I can hear from you and have this resolved?".. You responded, directly, **"No,**

**I will not give you a time...." in a very short tone and I could tell you were agitated.. **YOU HAVE SOME NERVE AND YOU DON'T THINK BEFORE YOU SPEAK, I SEE...****

**So let me get this straight**, as I'm already in process of filing a claim against the city and your department (taking money away from the already over budgeted city and your short staffed department) because of the several careless acts of negligence caused primarily by Sgt. George Phillips, I've already suffered the loss of My Father, have had death threats that your department gave the brush off treatment as even San Leandro PD confirmed, have lost damn near all sentimental belongings that were in that house by being stolen (photos, heirlooms, furniture, his clothes, etc) because your department didn't know to follow the proper procedure and have suffered A GREAT AMOUNT OF STRESS BECAUSE OF THE ACTS OF INCONVENIENCES UNNECESSARILY CAUSED BY YOUR DEPARTMENT ALL SINCE MARCH..... And you can't be considerate enough to see with all of that, take a few moments, make a call or 2 to get proper clarification and confirmation and coordinate something that would only take less than an hour to resolve??? As much as a few of your officers have messed up so far, you can't take a few moments out of the day to JUST DO YOUR JOB, RESOLVING THE MATTER QUICKLY JUST SO WE CAN ALL MOVE ON?? The sooner you do your job, the sooner I'll stop bugging you....

As I'm already in process of filing a claim against the City and Your Department because of your "non education" with the issue of gaining access to the property with the Trust & Administration Documentation as I was refused access, inaccurately passing things off as a "civil matter" and since March, Everything has been stolen out of the house since then, YOU MEAN TO TELL ME THAT BECAUSE YOU HAVE AN EGO PROBLEM BECAUSE I CORRECTED YOU ON SOME THINGS, YOU'RE WILLING TO COST THE CITY AN ADDITIONAL \$125,000+ (The Value of The Car)???? ALL THIS BECAUSE YOU DON'T WANT TO FOLLOW THROUGH AND FOLLOW UP ON A TASK THAT WAS GIVEN TO YOU SINCE LATE JULY???? You ought to be ashamed and May God Have Mercy On YOUR SOUL WITH THE MISTREATMENT YOU GIVE TO OTHERS..

So, Assistant Chief Jordan, how much do you really care about the city and your department??? How Truly Are You Sorry for My Loss as You So Superficially Stated??? How much do you truly honor your badge and what it stands for in protecting and serving??? Your actions spoke louder than your words, Jordan and I'm offended and disappointed.... You're too attractive and high ranking to be so foolish and careless...

**The Simplest Resolution I am Requesting??? I am just asking for a Civil Stand by... I will coordinate (as I've done before) with Tow Trucks, Attorney and Locksmiths to gain access through the gate and onto the property... Since My Estranged Stepmother's (who is also the suspect in looking to be charged with Grand Theft Auto, Grand Theft, Attempt to Commit Fraud (Insurance Agency), Fraud/ Forgery with DMV & Falsifying Information on a Police Report) other car is parked in the driveway, blocking the carport, if she is there, the officer will tell her to move her car out of the driveway so I can have access... If she is not there, I will have her car towed and placed on the street. I will remove the vehicle listed in the trust, check the property to see if there are any other items listed in the trust (the house has been damn near completely cleaned out but still need to check) and be done... I am just asking that with all the information provided to your department, confirming ownership and rights onto the property and personal property listed to the trust be advised to the responding officer so if the Squatter aka Suspect aka Estranged Stepmother tries to feed some garbage out her property and other, the officer will know the situation ahead of time and be able to act accordingly, instead of refusing access and brushing off as a civil matter (which has been an ongoing inaccurate occurrence)..**

**IS THAT TOO MUCH TO ASK, ASSISTANT CHIEF JORDAN SINCE THIS CAN ALL BE DONE IN LESS THAN AN HOUR...**

With the topic of status of the rest of My Father's Belongings that were in that truck and on his body, and the issue of releasing property, again the issue of the Trust came up as I provided all of this

documentation to Sgt. Phillips since the beginning and you had in your possession since Late July (emails attachments with the complaints/requests).. **A Trust is defined as a Legal Obligation given by a person called the donor or settler (my dad), binding upon the Trustee (Administrator/ Executor) of the Trust, for the benefit of another (referred to as beneficiary)..** Assistant Chief Jordan, you directly stated that Department Policy does not Honor Trusts because it is a civil matter and property is released to next of Kin (which would be My estranged Stepmother).... You made the same mistake Captain Tull Did as you did not DO YOUR RESEARCH/ HOMEWORK... I questioned your statement because if that was the case, why did Sgt. George Phillips, out of negligence, directly contact my brother (beneficiary) about The Truck (that was Illegally Auctioned Off, Later) that My Father Was murdered in, instead of My Estranged Stepmother??? You responded that Phillips did contact My Stepmother and she told him to give the truck to my brother.... You didn't say "Phillips may have" or "Possibly"..... You directly responded with that statement with confidence as if it was a fact... Assistant Chief Jordan, your response was a COMPLETE BOLD FACED BAD LIE AND YOU NEED TO QUIT IT!! I KNOW THAT DIDN'T TAKE PLACE BECAUSE WHEN I PUT SGT. PHILLIPS ON SPOT, HE STATED DIRECTLY (via email and verbal on voicemail) THAT HE RELEASED THE TRUCK DIRECTLY TO MY BROTHER SINCE HE IS THE "BENEFICIARY" OF THAT TRUCK.... So not only did you try to cover for Phillips, but you got caught in a LIE, not knowing what I already knew...

AS YOU TAKE AN OATH OF LOYALTY TO THE BADGE AND ALL IT STANDS FOR IN PROTECTING AND SERVING OUR COMMUNITY, **DON'T EVER LIE AND ESPECIALLY DON'T EVER LIE TO ME!!!**  
\_Your colleagues should have warned you about me because I'm not the general population female....

So back to the Trust, as you stated that Department Policy does not Honor Trusts because it is a "civil matter" and property is released to next of kin, I asked you "are you sure?" and "Can you email me what you just stated" because if that's the case, your department and the city would be covered with law suites and liabilities.. You stopped (already flustered because I've corrected you a few times already) and had to think about it and said you'll check with the city Attorney.. YOU SHOULD HAVE BEEN DONE THIS SINCE BEFORE OUR INITIAL MEETING THAT WAS CANCELLED ON 8/4 AND HAD THE INFORMATION AND RESOURCES THE ENTIRE TIME BUT DID NOT TAKE THE TIME TO RESEARCH AND DO YOUR HOMEWORK.. So how much time did you put into this project, Assistant Chief???

Lastly, although I have filed a complaint against Sgt Phillips, it has nothing to do with him continuing the investigation.... And the case is still open... One of my main complaints, as My Brother and Daddy's Best Friend both confirmed to you is that there were leads that were provided with direct knowledge, even from the beginning and Sgt. Phillips never contacted many of them... Also, as I received Death Threats already knowing it's related to the person responsible for Daddy's Murder (My estranged stepmother), I asked to have my records traced and cross referenced to Daddy's and see any connection.. I received the brush off treatment as even San Leandro PD's Officers Confirmed.. I asked you in pushing forward, can he please do the trace & investigate to see if there is any connection and call the leads... You directly told me I have to file a complaint in order for him to do that... ARE YOU KIDDING ME? YOU REALLY NEED TO THINK BEFORE YOU SPEAK, SOMETIMES.. JUST SAYING....

So Assistant Chief Jordan, let me get this straight... As the investigation is still open, you mean to tell me that with investigating as sometimes we have to back track our notes, exhaust leads and just check into information, I have to file a complaint for him to turn over a stone that he already has knowledge of??? So you're telling me that if I provided information to your department for an open investigation that might possibly be helpful, I have to waste the City's Over Budgeted Spending on Filing a Complaint, having people to review it and then tell him to do his job??? You mean to tell me, you'd rather for me to file a complaint, rather than you telling him to take a few minutes just to follow up on something to exhaust a possible lead/ connection that could possibly close the case, sooner so he can move on???? **Assistant Chief Jordan, It appears that YOU'RE A LIABILITY TO THE CITY WITH HOW MUCH YOU'RE COSTING THEM WITH POOR JUDGEMENT & WASTING TIME.....**

So let me ask again, Are you SURE I HAVE TO FILE/ ADD COMPLAINT IN ORDER FOR PHILLIPS TO FOLLOW THROUGH WITH INFORMATION HE NEVER CHECKED ON AND IS ALSO RELATED TO MY SAFETY??

**Since you didn't do your homework and as I've mentioned I've been involved with a car chase since Daddy's Homicide, Received Death Threats and Other.. Let me remind you as I, along with everyone else knows I'm the Next Target?? Is because for the person responsible for his murder (my estranged stepmother) has a motive of pure hate towards me (which is why she is acting the way she is and committed all these separate crimes since)... When my father was alive, and I was the closest person to him, I was not only his business partner and Daddy's Girl, But His Doberman (My Nickname).... What ever he told me to do, I did while he sat back and relaxed... For the person responsible for Daddy's Murder, upon request, I have fired her from the job a few times, repossessed the car she was driving.. When Daddy wanted to separate in the past from her, I coordinate everything and made it happen... When Daddy didn't want to be around her and she was stalking and harassing him, I prepared the protective orders for him and all he had to do was sign and be there.. Even for the eviction, I'm the one who prepared the document, he signed it and I served her for him and was to complete the process..**

**After his death and as you will see, he didn't leave her in charge and really didn't leave her anything, including a life insurance policy, she's still angry and blamed me for years for why he didn't want to be with her... So as you see from the tons of police reports & restraining orders and other, just as she removed him, the story is not over.. With your actions on Tuesday, tells me either way, you don't give a damn as your ego is too much in the way and you're too busy and you're too lazy and/or comfortable in your position to research anything....**

Either way, Jordan, I'm going give you a fair shot here and ask that you correct your inaccuracies and do the right thing...

As the meeting was from 2-2:30, it ran over and as time grew closer to 3, I observed something and want to point it out... On the day of the initial meeting, which was scheduled from 3-3:30, I called the patrol desk when I was trying to find parking to let them know to notify you I'm there but will be in a few minutes late, although my brother and daddy's friend were already there and waiting.. As I came in around 3:10 and waited in line (since McDonald told My Brother that he wasn't going to acknowledge him because he wasn't supposed to be in the meeting), when I finally talk to McDonald, he called the 8th Floor and told me the meeting was cancelled... I didn't understand and it was Kiona Suttle that came down stairs to inform me that Jordan had already left and he usually gets off by 3:15 (This was approximately 3:17).. I showed her my call log to confirm when I called into Patrol at 2:57.... Kiona then went upstairs and went to find someone to meet with us... She came downstairs, apologetic and confirmed no one was available and instructed me to call to reschedule with Yolanda... But one fact is JORDAN WAS GONE BEFORE THE MEETING TIME SLOT WAS OVER BEFORE 3:17...

I made a complaint about this shortly after and Yolanda called to address the issue and stated that Jordan was there the day of the meeting and did not leave early.... I could tell she was lying on the phone... But for confirmation??? One thing I noticed is in the meeting, as it got closer to 3, Jordan you kept looking at your watch and I could see you growing slightly impatient (like you were ready to go).... That was confirmation enough for me too see that your actions were consistent with the apology and update Kiona gave to me (IN TRUTH) on 8/4/11 and Yolanda is a lied, after the fact, trying to cover for YOU... **YOU GUYS NEED TO QUIT LYING SO MUCH AND JUST DO YOUR JOB!!! WHAT ARE WE (THE CITY) PAYING YOU AND SUPPORTING YOU FOR????? DO THE RIGHT THING AND QUIT PLAYIN REINDEER GAMES!!!!**

**So Assistant Chief, Jordan?? As The meeting was held on Tuesday, I never received a follow up from the meeting, even to correct your inaccurate statements, but I am requesting response and resolution to these matters no later than Wednesday, October 5th, at close of the day.... These**

**simple requests only take a few minutes to complete and as you didn't do your job and research before, and you WASTED MY TIME WITH THE MEETING SINCE YOU WERE NOT SUFFICIENTLY PREPARED, DO THE RIGHT THING THIS TIME AROUND...**

**IF I DON'T HERE FROM YOU, YOU'RE JUST ANOTHER STATISTIC TO BE ROLLED UNDER THE BUS WITH THE REST OF THE GENERAL POPULATION OF BAD APPLES WITH COMPLAINTS, CITIZEN'S REVIEW BOARD, ADDING TO THE CITY'S CLAIM AND OTHER... YOU'RE NOT ONLY COSTING ME MONEY AND WASTING MY TIME, BUT YOU'RE DOING THE SAME THING TO THE CITY & YOUR DEPARTMENT... JUST DO THE RIGHT THING AND COMPLETE THE TASKS THAT WERE HANDED TO YOU 2 MONTHS AGO!!!!**

**PLEASE SEE THE ATTACHMENTS ONCE AGAIN THAT YOU ALREADY HAVE HAD IN YOUR POSSESSION FOR 2 MONTHS, REVIEW, RESEARCH AND RESOLVE, APPROPRIATELY!!!!**

**WITH THAT HAVE A WONDERFUL WEEKEND....**

**Subject:** RE: Homeless/Public Health Services at Occupy

Hi Susan:

Thanks for your update. It is regrettable that CAO Santana has "declined our offer" to authorize a space downtown where Alameda County Health Care for the Homeless Program can provide our mobile clinic-based primary care medical services and mental health and support services referrals for homeless and precariously housed persons near the Occupy downtown.

We have received many requests to homeless services downtown, and we will continue to provide outreach services – this afternoon our staff has been down to the site, and I will meet with medical staff there tonight. Of course we are providing information and referrals flyers and papers, as well as some hygiene kits and homeless supplies.

Unfortunately, the fact is that regular HCHP mobile clinic services cover the entire county, and there are few downtown sites to invite homeless persons to visit (St. Vincent's clinic 11/24, City Team Thurs 11/3, St. Vincent's again 11/7 & 11/14, and that's about it...).

I would to maintain open the request/offer of ACHCHP to station a mobile clinic from which homeless clinical services, support services, mental health referrals and other public health activities (immunizations, HealthPAC enrollment) could be provided by county and city health providers.

Myself and Addie Brown, Support Services Team Leader, will continue to be in contact with you and with City staff to keep each other assessed of needs and possibilities. Any questions, our number is 510-532-1930.

Good afternoon David. I apologize for getting back to you so late. The city group meeting around the encampment did not meet until noon and I had mandatory training that started at 1pm and just got out.

I proffered the offer made by Public Health to our CAO and the group meeting around this. She declined the offer to provide a space in the Plaza where you all could bring the van and outreach with services.

There are about 21 or so homeless folk we have identified that are hanging out during the day hours but don't appear to be staying through the night in the tents. I know that you all go to several sites downtown on an ongoing basis. I would suggest that if you are interested in outreaching to this group that some flyers are prepared to say that and hand them out to the group with the time and location that your van would be nearby.

Thanks for thinking about this and offering to provide services. WE are clear about your interest and partnership. We too are concerned about the safety and well being of those folk camping out and are trying diligently to work with them in maintaining a safe and healthy environment while they camp out in our Plaza.

Hi there Andrea, Susan and Mike:

This is David Modersbach, Director of Alameda County Health Care for the Homeless Program. Due to the emerging public health needs of the many homeless persons at the Occupy Oakland site, we are developing plans to provide mobile clinic primary care and support services there with the Alameda County Health Care for the Homeless Program mobile clinics.

Addie Brown (HCHP mobile clinic leader) and myself are looking to coordinate with City staff to find a place to park the ACHHP mobile clinic so we can treat homeless and near homeless persons who are in the area. Anita Siegel and Kimi Watkins Tartt have recommended that I speak with you all and to see where we can get appropriate permissions and ok's from City staff in our endeavor.

Please get in touch, to help let us know who else we should talk to in order to go ahead with our planning. Please contact myself or Addie as soon as you all can. Our number is 532-1930.

Thanks!

**Subject:** A safe, sane and positive end to Occupy Oakland: You could make it happen.

To my City's leaders:

Today, Andrew Breitbart, a right wing media flack, has decided to make Occupy Oakland the whipping boy for the entire national movement. All it took was one altercation between the media and the protesters, and we are now potentially looking at Oakland being the centerpiece of the right's dismissal and condemnation of the Occupy Wall Street phenomenon.

Part of the reason this happened is because of some of the subcultures present in Oakland. We have a strong history here of radical and militant activism, and we have multiple well organized Anarchist collectives in Oakland that want to see revolution rather than reform. I believe that this tradition and it's adherents may be responsible for the attitude that led to aggression towards the press.

It doesn't have to be this way.

In addition to the militant tradition, Oakland has some of the strongest and best organized unions in the country, and we are also home to a tightly-knit community of progressive non-profits. On a local level, these groups are sometimes in conflict. But as far as beliefs about national politics go, I believe that our local unions and non-profits are usually very much in accord.

Our non-profits and unions are very well organized, and each of you has good connections to them.

On City Hall Plaza at the moment, there seems to be an internal conflict among the occupiers. The broadest factional division I can see is one between radicals and reformers. Last night, the radicals won out. But this is an ongoing process, and every night the occupiers hold a general assembly at the same time, and every night anyone present is free to speak, to propose motions, and to vote. The rules established give no attendee greater rights than any other. That presents an opportunity.

Here is my suggestion on how to ensure occupation ends peacefully and on a positive note:

Urge your contacts in the non-profits and unions to organize, to show up to the general assemblies regularly, and in numbers. Urge them to put forth proposals to the general assembly that focus on the following:

1. Respect for public safety and public health.
2. Mutual respect and understanding between protesters and first responders, including police.
3. Solidarity with the national push for progressive taxation, banking reform, and electoral reform.

I believe that these three points are non-controversial enough that Oakland's non-militant progressive community can agree on them. I believe that keeping it simple is imperative. Expand much further, and we'll just get more cacophony.

I believe between everyone I've addressed this email to, there are strong enough community connections to successfully rally turn-out to the Occupy Oakland general assembly on an ongoing basis. I also do not believe

that this using those connections would be an act of "astroturf", because the points I outlined above are not controversial.

And I believe that if nobody in Oakland's leadership steps in and pushes this idea with our local progressives, over time, the militant faction on the plaza will wear down the resolve of the reformers, and create an entrenched majority. If that happens, I predict trouble. Should it become necessary to displace the protesters in the interest of public safety, it could get very ugly. When the rainy season hits, the mud and standing water that will form on the lawn will create enough of a disease vector by itself to force the City to displace the protesters. Time will eventually force an end to the occupation. But you, as leaders, can have a hand in how that end comes to pass.

Lastly, I would suggest that any local progressive leaders and groups you ask to show up to the Occupy Oakland General Assembly be urged to speak as individuals.

Likewise, all of you who are reading this should consider speaking as individuals, using only your first names and not your titles. In addressing a populist movement, I think you'll be far better received if you identify as being no different than anyone else who is there. Don't even tell them where you live or who you are. Just tell them what you think of the movement and what you think the movement should do.

That's about all I have to say. Our city's reputation and public safety are at risk. As our leaders, you have an opportunity to create a positive outcome. Act now, or react later.

Sincerely,

Max Allstadt

PS: As I was finishing up this letter, by coincidence, the Tribune published this piece by Scott Johnson: [http://www.mercurynews.com/breaking-news/ci\\_19150644](http://www.mercurynews.com/breaking-news/ci_19150644) The teacher who was assaulted is an acquaintance of mine. I also am confident that Johnson is not sensationalizing this story. It's pretty ugly down there already. Please create a gracious and safe end to it all.

Ms. Quan,

As an Oakland property owner and resident, I immediately demand more public safety and police resources. I strongly urge you to attend the upcoming Franklin Zimring lecture on ways we may be able to do that.

We are in dire circumstances.

I am a homeowner in Fruitvale - *terrified* - and sick and tired of escalating VIOLENT crime.

**Some of the RECENT CRIME that has occurred within 1 mile of my home:**

- multiple drive-by shootings (daytime)
- daily open drug dealing and loitering (day & night)
- illegal occupation of empty foreclosed properties by known drug dealers
- numerous shootings at foreclosed properties, as well as continued drug dealing
- nightly gunfire
- robbery
- murder
- burglary

**THIS HAS TO STOP!!!**

**THE CITIZENS OF OAKLAND DEMAND CHANGE.**

**YOU ARE RESPONSIBLE FOR MAKING CHANGES.**

Dear Ms Harmon,

Recently, the Occupy Wall Street movement, moved into Stow Park across the street from where I work. I am writing to you and the mayor to ask that you stop any further movement on their part to occupy Stow Park.

The Charter Schools in the area use this park as an excersize area for their kids which, is unfortunate. These schools are stuck in whatever empty hole they can find which does not include space for a gym or playground.

My concern is a health issue for the kids. Geese use the grasses for food and leave behind poop. Dog owners let their dog illegally run and poop in the grass. The kids run and do pushups in this poop infested grass and now we have the tent people without a means of sanitation in the park.

All I ask is that you move the Occupy Wall Street people back to Civic Center or some other place away from the kids. Also, I ask that you look into getting a proper place for the Charter Schools to use for a gym. To my knowledge the park may eventually have a highrise built on this property and then the kids will lose this for a gym/playground.

Please investigate this situation for the health of the kids.

Herman Coleman

**Subject:** TIGER III Path Forward

Hi Fred and Gregory,

Pat and I stayed at the Port for several hours after this morning's meeting and have come up with a proposed approach for TIGER III. Here is the framework we are proposing for applying for these funds:

1. Although the project we describe is in the context of the entire One Vision, One Project, One Team context, the actual work we will be seeking TIGER III funding for will take place solely on Agency/City property;
2. The work will include the Maritime Street utility corridor, a re-alignment of Burma Road with a utility corridor, and site preparation of our East, Central, West, and North Gateway Areas;
3. The total project cost is estimated at around \$184 million with a combination of Agency (\$32M), TCIF (\$92), private (\$20) and DOT \$(40) funds to support it;
4. We should ask for \$40 million;
5. The Agency/City will be the applicant;
6. The Port will pay AECOM to prepare the application for us;
7. Pat Cashman as the Army Base Project Manager will be our primary point person for this grant application process and should run everything through the chain of command;
8. Toni Horst at AECOM is his primary point of contact, although John Barna will also be intimately involved given his depth of knowledge about these types of projects and TCIF; and
9. Of course the rest of the Army Base Team is available to provide any assistance needed.

With respect to the TCIF allocation, we discussed which entity is best positioned to take advantage of and manage it. John Barna strongly recommends it be transferred to the Agency/City and the Port staff did not disagree. There was discussion of how this might be accomplished. The Port would lay the ground work at a December CTC meeting, at which they must request time extensions to their baseline agreements. At that meeting, the Port would indicate that, due to economic conditions, it was unable to deliver the required matching capital but that the Agency and its private partners wanted to carry the project forward.

I think this covers most of the key points. Thank you. Al

**Subject:** PLEASE get campers out of public plaza

Dear City Councilwoman Brunner,

I am really disappointed in seeing you interviewed on the news tonight telling the reporter it is a good idea to allow the campers to stay in Frank Ogawa Plaza. I have formed a neighborhood watch group in my neighborhood because of robberies and vandalism where our police officers cannot get up to the hills to take reports or respond to alarms. Our police force is in stress, with interim leadership, city public works is under funded and we have a conflicted city leader that was caught flat footed when Chief Batts resigned (Mayor Quan). Our family moved here 2 years ago and I am very dismayed at how poorly managed this City is so far in our short time living here.

If we have SO many problems and financial dilemmas - why would you allow another mini-city to sprout up (illegally) that we have to clean up after, put police around to protect bystanders and allow marijuana usage and food preparation on public property?

I think the city elected officials will all have to answer for this decision to allow 2 encampments in Oakland on public lands (I just learned a new tent city is down at Lake Merritt). Why is there no firm leadership in this City?

You represent my district and I am very angry that this area is not considered when you let our resources (and our tax dollars) be spent on a new city within a city! We pay a great amount of taxes to Oakland to help your operating budget and we are currently being asked to vote for a parcel tax. Why would I vote for this tax when you make horrible and illegal decisions on how to spend our money?

I want you to know I am asking you to stand up against this current policy decision Mayor Jean Quan, and other politicians in Oakland, have decided to back. There is illegal activity going on there; why would you allow that and also let our thinly stretched police force divert their resources to the plaza and park on Lake Merritt? This is so upsetting to our common sense and to our safety up here in the hills.

Sincerely,

Monica Steinberger

There are clearly dangerous conditions that exist and are increasing at the "camp." The longer you allow this to continue, the harder and more dangerous it will be to get these people to leave. Had you taken the approach by many other cities, and prevented the people from staying overnight in the first place, none of this would be happening. Aside from the obvious public safety issues, you are opening up the City to a myriad of liability claims, including dangerous condition of public property. Moreover, when the police are inevitably required to forcibly remove the campers, there will be the standard claims of personal injury and police brutality, all costing us taxpayers additional unnecessary expense. Given the scarcity of police resources, as well as other resources that must be brought to bear to defend against potential claims, both frivolous and valid, you must shut this camp down ASAP. By the way, this email would be discoverable in any subsequent lawsuit alleging that you had notice about the dangers involved and failed to act.

Very diplomatic.

I have added a paragraph about TIGER III in the fifth bullet.

Pat

Appreciate Port leadership's time in meeting with the Mayor, clearing the air, and moving forward

- City has supported the Port's vision and growth and remains committed to creating a new industrial district and thousands of accessible, high-quality jobs
- We respect the Port's different financial situation and needs, but have reached agreement with the developers when the Port is not prepared to
- The City is willing to assume responsibility as the lead agency on the TIGER III and TCIF grants
- The TIGER III application will be for \$40 million in support of the City's public/private partnership working towards build out of the Oakland Army Base. When the City, developer, and TIGER III are matched with state TCIF funds, there should be sufficient funds to build the backbone infrastructure for the entire base. Positioning both the Port's and the Agency's land for development, including two recyclers in the North Gateway and the preservation of the break bulk "Working Waterfront" in the West Gateway.
- Look forward to stronger partnership and delivering successful project for the people of Oakland
